

On 22nd April on the occasion of Earth Day an assembly was organized by the Environment Club. Messages to protect the earth and its endangered species were conveyed to the students in the form of prayers, poems and songs. On 23rd April various competitions were organized. Card, poster, rangoli, salad making and slogan writing competitions were hosted for classes VI to XI. The theme for the competitions was "Protect Our Species". Students of the primary classes displayed material made out of waste.
