Ours was the first school in India to introduce level 1 in 2015 and level 2 in 2018. In cooperation with ZFA (Central Agency for schools Abroad) this has opened new avenues as 5 of our students are pursuing their studies in German Universities. Three of them have received the prestigious DAAD Scholarships. Our motto to Educate Enlighten and Empower our students is synonymous with the study of the German language. It shall be our endeavour to pursue the aspirations of our two educational institutions and to raise it to a higher level.
