

Teachers' Day Celebrations

5th September 2019

Teachers' Day was celebrated in Carmel with its usual spirit of gaiety and enthusiasm. On 4th September, students of all classes showed their love and appreciation for their beloved teachers by putting up short programs in their classes and presenting their teachers with flowers and cards.

The celebrations on 5th September began with a special mass held for the teachers in the convent. It was followed by a cultural show of dances, songs, even a movie presentation for the teachers by the students of class XII. To show their gratitude to the teachers who play a vital role in the lives of their children the PTA members organized an extremely entertaining program which was followed by a lunch.
