

## XPRESSIONS 2020 6<sup>th</sup> November 2020

Xpressions 2020, the Intra Class Cultural Extravaganza was yet another platform provided to the students to showcase their talent, fire their imagination and give expression to their feelings and thoughts.

The opportunities ranged from performing arts to creating advertisements to reliving poetry.

In her message to the students, the Principal exhorted them to unleash their talent and creativity, which the students did with alacrity and panache. 6<sup>th</sup> November 2020 was indeed a day fit for students to take back memories of a day that was value additive, motivating and inspiring.
