

Mathemagician (creating 3D Structures)

Class 3 A & B

An intra class competition for class 3 A and B was held on 21st October 2021.

The students created models using 3D shapes.

The students were judged on the basis of creativity, presentation and usage of 3D structures made out of waste material.

The judges for the event were Ms. Jacqueline Justin and Ms. Suchi Sood.

The winners of the vent are as follows:

- 1st Position : Anne Marie Mani
- 2nd Position : Aiza Ali
- 3rd Position was shared by : Prisha Soni and Anahita Jaitely
- Consolation Prize: Eshani Manchanda and Zynah Ahmed
