

Republic Day Celebration and Investiture Ceremony

25.1.2023

The celebration of India's **74th Republic Day** in Carmel Convent School, dawned bright, as the crowd thrummed with anticipation, little flags waving. Decked in colours of red, yellow, green and brown, proudly bearing the school flag, the contingents marching to the beats of the school band were truly a sight to behold. There was a splendid array of colours as Synergy performed an energetic fusion of Bhangra and Hip-hop. The Heavy Musical Melodies and Tarana, Carmel's music groups enthralled the audience with beautiful renditions of 'We Are India' and 'Mera Pyaara Hai Desh'. The tiny tots of Carmel who, bold and adorable, gave a speech about the significance of the Republic Day.

As it was also the occasion of the **Investiture Ceremony**, watching the new cabinet take up the mantle of responsibility and the previous cabinet gracefully handing over theirs was a source of great pride and motivation for the younger students. The esteemed Chief Guest for the day, Dr. Joseph Emmanuel, Director (Academics) CBSE, inspired the students as he talked about the privilege of being able to study in an institution such as Carmel.
