

Road Safety Session

The Delhi Traffic Department organized a seminar on Road Safety on April 30, 2024, for students from Class IV to IX. The seminar aimed to raise awareness about traffic regulations, pedestrian safety, and cyclist safety.

During the interactive session, a captivating presentation emphasized that Road Safety involves responsible behavior and adherence to traffic laws. This includes obeying speed limits, stopping at red lights, using lanes responsibly, and yielding to pedestrians at crosswalks. Students also engaged in learning intriguing acronyms and participated in reward-based quizzes, which helped educate them on this important topic.

By prioritizing road safety, we can reduce accidents, prevent injuries, and save lives. Road safety is a shared responsibility, and each of us has a role to play in keeping our roads safe.
