

Diwali Assembly – 21st October 2022

On 21st October, 2022 our school celebrated the auspicious festival of Diwali by way of a special morning assembly. Students from the middle and high school participated in the short colourful programme. Students gave speeches highlighting the significance of this festival of lights.

A plethora of dances were performed by the students of middle school. A short Nukkad Natak was staged by the members of the Environment and Stage Art club of our school depicting the importance of celebrating Diwali with an eco-friendly approach and also by promoting indigenous - cottage industries like diya sellers.. The children beautifully presented the message of spreading happiness in order to uphold the real spirit of the festival of lights. The colourful celebrations took place with great vigour and enthusiasm.

Sr. Tina Maria D'souza, school Principal gave a message of a clean, peaceful and eco-friendly Diwali.
