

# Midsummer Night's Dream

## Annual Day programme for classes VI – IX (2022)

A musical rendition of **Shakespeare's** comic fantasy, Midsummer Night's Dream was performed by the students of classes **VI to IX** for their annual day Programme on **November 25, 2022**.

There were two shows, both exhibiting a jubilation of music, dance and drama through the most creative and larger than life musical. It showcased the acting, dancing and singing skills of the talented students.

A magnificent performance by the actors and the choir left the audience and the **Chief Guests**, Mr. Kuljit Singh, Director of Atelier Theatre and Ms. Purnima Topden (Teacher-in-Charge, Department of English, Jesus and Mary College) spellbound. The inspiring and motivating words by the Chief Guests were overwhelming. They believed that the students delivered their best and created magic on stage.
